

Achieving Global Impact

STRATEGIC PLAN: 2021-2025

The overwhelming majority of people living with inherited bleeding disorders around the world still do not have access to diagnosis, treatment and care

World Federation of Hemophilia (WFH) is a non-profit organization dedicated to improving and sustaining care for people with inherited bleeding disorders around the world

We work in partnership with healthcare providers (HCPs), governments, and our global network of national member organizations (NMOs) in 147 countries

OUR ROADMAP TO 2025

Our vision of **Treatment for All** is for a world where all people with inherited bleeding disorders have access to care, regardless of their type of bleeding disorder, gender, or where they live.

TO ACHIEVE
OUR VISION...

Treatment
for All

WE WILL WORK
TOWARDS
THESE GOALS...

More people with inherited
bleeding disorders can reliably
access safe treatment and care

NMOs and HCPs are equipped and
working together effectively to support
people living with bleeding disorders

Collaboration is strengthened to better serve
the interests of people living with bleeding disorders

BY FOCUSING
ON BUILDING
CAPACITY IN
THESE AREAS...

Identify and diagnose people
living with bleeding disorders

Provide adequate care
and treatment

Collect, interpret, and
disseminate data

Advocate for safe and
sustainable treatment and care

INVESTING
IN THESE
KEY TOOLS...

WFH treatment guidelines – resources to
guide best practices in treatment and care

WFH data collection programs – building
capacity and providing infrastructure

WFH Humanitarian Aid Program – to provide predictable and sustainable
treatment for those who need it most

AND
PRIORITIZING
THESE
ACTIVITIES ...

Train, educate, and fund

Create space for collaboration and exchange

Influence global health policies to promote access

Promote standards of excellence

HOW WE'LL KNOW WE ARE MAKING PROGRESS

We will monitor and evaluate our global impact in four key areas. Over the next 5 years, we are aiming to:

**IDENTIFY AND DIAGNOSE
PEOPLE LIVING WITH
BLEEDING DISORDERS**

**PROVIDE ADEQUATE
CARE AND TREATMENT**

We maintain support provided by the WFH Humanitarian Aid Program, with at least
**20,000 PEOPLE
TREATED ANNUALLY**

**COLLECT, INTERPRET,
& DISSEMINATE DATA**

20 additional national member organizations reporting complete data in the Annual Global Survey

40 additional hemophilia treatment centres participating in the World Bleeding Disorders Registry

**ADVOCATE FOR SAFE
AND SUSTAINABLE
TREATMENT AND CARE**

30 countries demonstrating an **INCREASE IN GOVERNMENT SUPPORT**

20 countries producing or updating national treatment guidelines and policies based on WFH guidelines

OUR 2021-2025 STRATEGIC PRIORITIES

Our roadmap shows all that we do and why. To deliver on these aims, we will focus our attention on these priorities over the next five years:

- 1** Redesign our training and education offerings to maximize impact
- 2** Set NMO standards of excellence and support their adoption
- 3** Strengthen our global advocacy work to improve access to treatment and care
- 4** Increase the percentage of people identified and diagnosed with bleeding disorders through innovation
- 5** Ensure we have the resources, both financial and human, to help us achieve our goals.

**MAKING
AN IMPACT,
TOGETHER**

We have charted the way forward, but we cannot do it alone. We hope you will be inspired to join us. Together, we can improve the lives of people living with inherited bleeding disorders around the world.
